## **Culture sensitive e-learning course in movement analysis: syllabus, open educational resources**

The online course includes the content of detailed scenarios for 15 lessons in English and the native languages of all partners, including 234 videos based on the lesson plans, and open educational resources that accompany the videos.

Available language versions:

English: <https://mov-e.academy.knowledgeinnovation.eu/>

Spanish: <https://spanishmove.academy.knowledgeinnovation.eu/>

Hungarian: <https://hungarymove.academy.knowledgeinnovation.eu/>

Finnish: <https://finnishmove.academy.knowledgeinnovation.eu/>

Turkish: <https://turkishmove.academy.knowledgeinnovation.eu/>

Polish: <https://polishmove.academy.knowledgeinnovation.eu/>

The content of the course modules is hyperlinked to respective chapters of the E-manual (Result 4). Each module ends with a module test whose question base constitutes a part of the question base of the Final Test leading to certification (Result 5).

Each of the 15 modules contains an Introduction where learning goals are discussed, Theoretical content with reading material, Video content where the theoretical content is illustrated and expanded, Practice content with self-analysis material, extra comments, further resources, References, and a Quiz (including questions on physiotherapy intercultural communication. While the time spent working on the material may depend on the participant's prior background and / or experience, it is estimated that the average learning time spent per module is 3 hours.

Co-funded by the European Union. Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union or Fundacja Rozwoju Systemu Edukacji. Neither the European Union nor the granting authority can be held responsible for them.
